

DANCE/MUSIC CAMP SCHOLARSHIP APPLICATION

Mosaic Productions through the Ink People, and Redwood Raks have a scholarship fund available to help local dancers and musicians attend dance and music camps. The focus of this scholarship is to support international folk dancers and musicians and Middle Eastern dancers and musicians by helping provide exciting opportunities for learning, exploration and growth. Scholarships are available for newcomers and old-timers alike. It is the hope that the camp experience will result in increased or enhanced participation in local community music and dance activities.

\$450 scholarships are available. (Applicants may also request a lesser amount according to need.) Funds come from individual donations and fund-raising activities dedicated to scholarships. The number of scholarships awarded varies according to availability of funds and the number of applications.

Please email your completed application to dance@shoshannaland.com by May 28, 2018.

(People who have applied for other scholarships directly through the camps or other sources are welcome to apply for the local scholarships, and may cancel the application if they receive enough funding from a different source.)
